

GLOBAL DESIGN DEALERS, INC.

A RECAP OF WHO WE ARE

We are access.

Global Design Dealers, Inc. is a wholesale-to-the-trade resource for stagers, re-designers, designers, and contractors who want to represent a wider and more rounded group of product lines to their clients. If you are just starting your business, or are an established small or medium-sized business, we are the easiest and most complete entry point into providing more than just your services, but also selling top name-brands. These are just a few of our 25 product lines:

- Hunter Douglas Window Fashions
- Drexel Heritage
- Lexington Home Brands
- Jaunty Rugs
- Alfresco Home (outdoor furnishings)
- Uttermost (accessories, lighting, area rugs, mirrors)
- Paragon and Propac Artwork
- And MORE!

For independent businesses these product lines are typically difficult and expensive with which to establish accounts. But by joining the Global Design Dealers Network, we take both the difficulty and the expense away. We take on the stifling opening orders, the annual minimum demands, and the challenging inventory requirement. We are your resource --without the pain. With Global, you grow your business profitably with very competitive pricing.
